City of Seven Hills Residential Lock-Box Program

This is recommended for Senior Citizens and Disabled residents.

The resident may be unable to open the door for EMS/Fire in the event of an emergency. We adopted a program that other cities already use, the affordable **Roper Lock Box**. When you or the victim dial **911**, most times you or a victim can't unlock the door or open it for EMS/Fire. Our only way of getting into the resident's home is to break a window or the door causing hundreds of dollars in damage.

This is a great resource for a resident who is living alone, with no one close by to help them in an emergency. We will even install the Lock box at no charge for Seven Hills residents.

Please Contact Tony Terry
