## **ATTENTION SHADY LANE RESIDENTS**

Starting Tuesday APRIL 2nd, roadway removal will begin on the NORTH side or odd side addresses of Shady. Once roadway is removed, access to your drives will be lost while the new concrete roadway is installed. At this time we ask that you park in your neighbors drive as they may be asking you to do the same when their side of the roadway is removed in the near future. Parking on the side streets is also a viable option. Two way traffic will be maintained on the south side of Shady.

### **THERE WILL BE NO PARKING ON SHADY ITSELF**

Immediately following roadway installation, underdrain and apron installation will commence.

Mailboxes will be removed and placed alongside your garage. A temporary gang box will be installed on Seven Hills Blvd near Twilight on the west side of the road. **All Shady mail will be delivered to these gang boxes.**

Mailboxes will be reinstalled when new concrete roadway is established.

Rubbish pickup will continue on **Wednesdays**. However, the new pickup time for the duration of the Shady Lane reconstruction will be from **6:30-6:45am**. Trash and recyclables will be picked up at this time

**Have trash out the night before your scheduled date. Trash cans shall be placed at the end of your drive Tuesday evening.**

*If there are any handicap residents please feel free to ask any worker onsite or call Fabrizio Trucking and Paving at (440)-973-4929 so we can address your needs*

Thankyou in advance for your cooperation and please be cognizant of your surroundings as trucks and large equipment will be present

Please feel free to ask workers any questions or comment you may have
